Heidelberg,  
1989-1992 Vice-chairman, Dept. of Nephrology, Univ. of Erlangen-Nuremberg  
1989 – today Professor of Medicine, Friedrich- Alexander Univ. of Erlangen-Nuremberg  
1992 - today Director, Dept. of Nephrology, Munich General Hospitals, and  
KfH Kidney Center, Schwabing, Munich  
2010 – today Internatl. Scholar, Population Health Research Institute, McMaster University,  
Canada

### *Medical degrees*

Board certified specialist for  
Pharmacology and Toxicology (1982),  
Internal Medicine (1985),  
Nephrology (1986),  
Intensive Care (1995)

### *Main research activities*

#### Experimental:

Angiotensin and renal damage,  
Physiology of vascular angiotensin formation,  
Angiotensin receptor regulation,  
Role of the brain renin angiotensin system in hypertension.

#### Human:

Angiotensin and the progression of renal disease,  
Renin system and atherosclerosis,  
CV disease in renal insufficiency,  
Renovascular hypertension,  
Intracellular pH and hypertension of chronic renal disease

Clinical pharmacology of erythropoietins, ACEi, ARB, and other drugs in renal failure.

*Clinical trial steering committees, PI and coauthorships*

AIPRI study (NEJM 1996), HOPE study (NEJM 2000, Lancet 2000, Ann Int Med 2001), Darbepoietin (Kidn Int 2002), DIABHYCAR study (BMJ 2004), 4D study (NEJM 2005), HOPE-TOO study (NEJM 2006), ONTARGET and TRANSCEND studies (NEJM 2008, Lancet 2008), Renal-ONTARGET study (Lancet 2008) Renal-TRANSCEND study (Ann Int Med 2009), ASCEND study (JASN 2010), LEADER, BEACON, SONAR (ongoing)

*Awards and recognitions*

Promotion (similar to D.Sc.) 1974, Univ. of Heidelberg  
Habilitation (similar to Ph.D.) 1985, Univ. of Heidelberg  
Paul Beiersdorf Award of the German Soc. of Internal Medicine 1988;  
Prix Galien 1989;  
Franz Gross Science Award, German Hypertension Soc 1999.  
Ernst v. Bergmann Plakette of the German Medical Association, 2009

*Past and present editorial boards and editorships*

Kidney International; Nephrology, Dialysis and Transplantation; CJASN, J Hypertension;  
Clinical Nephrology; Nieren- und Hochdruckkrankheiten, Herz und Gefäße.

*Committees*

Ex-Officer, German Soc. Nephrology;  
Officer, German Soc. Internal Medicine;  
Ex-Member, Guideline commission, German Hypertension Soc;  
Member, Quality Assurance, German Soc. Internal Medicine;  
Ex-Member, Task force on Clinical trials of the International Soc. of Nephrology,

*Publications*

About 210 original papers (IF about 900), about 35 book chapters;  
Citations: in the last 5 years listed among the top 35 of German internists (internal medicine and its subspecialities) and among the top 6 German and top 30 European nephrologists
